Welcome

A Message From Our Founder

As the Founder and Executive Director of DETOUR, I'm proud to share that with more than 12 years of making an impact in the world, we're more eager than ever before to continue on and follow our mission to increase access to education and employment opportunities for girls of color.

DETOUR is a mentoring program specifically designed for teen girls of color. Through our Focused and Naturally Confident Youth (FANCY) leadership programs (Expo, Leadership Academy, and Ambassador Internships, etc.), myself, my staff, and our organizers work tirelessly to bring girls of color closer to the opportunities that they deserve within the areas of higher education and priority sector employment.

We have continued to work through the COVID-19 pandemic which hit in 2020, and that was a journey for all of us, but this year is the year of rebuilding! Today, even though the current landscape is different, our message of inspiration and hope is the same.

Thank you for joining us!
Stay FANCY,

Tinesia Conwright

SUPPORTERS

We are seeking partnerships and support from individuals, businesses, and nonprofit organizations to continue our mission of promoting equity and inclusion in education and employment for teen girls of color. Our programs build the next generation of strong women who will contribute to our economy and our communities through working in leadership positions and influencing social change. DETOUR empowers teen girls of color to believe in themselves and excel in education and employment by providing leadership, scholarships, and internships.

Join our family!

DETOUR is expanding our network of members to allow us to continue our mission of empowering Girls of Color at every stage of their lives through actively volunteering and advocating for Girls of Color locally and nationally. By becoming a member, you too can help to carry on this important mission. Your membership directly supports our programs and connects you to our wide network of Women & Girls of Color in San Diego County.

DETOUR Empowers

Dear Friends,

As Mayor of the City of San Diego, it is my pleasure to offer a warm welcome to everyone attending the 2022 F.A.N.C.Y Teen Girls Expo.

I am pleased to see the amount of community service these girls are doing. It is important that there is an organization like Depositing Empowerment Through Outreach & Urban Development (DETOUR) to uplift young people of color and further help them in their extra-curricular activities. It is with my highest hopes that DETOUR reaches its goals with this luncheon and continue doing great things for the San Diego community.

Please accept my best wishes for a successful expo. I hope and I wish you all the best in your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Todd Gloria".

OFFICE OF THE MAYOR

As Mayor of Lemon Grove, it is my great pleasure to recognize and support the Depositing Empowerment Through Outreach and Urban Redevelopment (DETOUR) F.A.N.C.Y (Focused And Naturally Confident Youth) Teen Girls Expo.

The DETOUR F.A.N.C.Y. Teen Girls Expo creates an environment that builds young leaders and gives young women an opportunity to connect with others and get the skills that they need to feel empowered to continue to conquer life's challenges.

Your steadfast commitment to preparing future leaders, promoting academic excellence and fostering high ethical standards among young women through the F.A.N.C.Y Teen Girls Expo program is commendable.

It is these programs that help to promote academic excellence and the importance of completing secondary and postsecondary education while nurturing high moral standards among young women, and it is these programs that gives young women the necessary tools of self-awareness, confidence and, it is these skills that are needed to be successful in education and in life and provides the essential assistance they need to become future community leaders.

I applaud DETOUR, for their commitment to support and enhance the quality of life and empower the the young women in the communities they serve. Your steadfast commitment to preparing future leaders, promoting academic excellence and fostering high ethical standards among young women is admirable.

Yours in Service,

Racquel Vasquez, Mayor

Welcome to the 2022 FANCY Teen Girls Expo!

I am honored to congratulate Depositing Empowerment Through Outreach & Urban Development (D.E.T.O.U.R.) Empowers on hosting your annual 2022 Focused And Naturally Confident Youth (F.A.N.C.Y.) Teen Girls Expo. After having to do events virtually during the pandemic, it's great to be able to celebrate together in person. I am truly grateful to the staff and leadership of DETOUR Empowers for continuing to produce this event for over a decade. This program is proven to provide opportunities for our young ladies to grow into powerful women.

The F.A.N.C.Y. Teen Girl Expo continues to be a nurturing experience where the community comes together to encourage girls by providing workshops and activities that promote healthy lifestyles. It is essential to equip our young people with the tools for success so they can use those tools to build a better tomorrow. As you enjoy today's expo, I encourage you to think of ways to develop and grow. Please be sure to take advantage of the job fair and career exploration opportunities provided by the City of San Diego Promise Zone.

On behalf of the Fourth Council District, I would like to congratulate DETOUR Empowers, its board, and its supporters on this remarkable occasion. Thank you for providing programming and support for our girls and women of color. Congratulations on another successful annual event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Monica Steppe".

To the F.A.N.C.Y. Teens,

If someone was looking to be inspired, they don't have to look any further than the Focused and Naturally Confident Youth (F.A.N.C.Y.) Teen Girls Awards and Expo.

There is nothing more powerful than the confidence you have in yourself and the willingness to move forward in this world as a force for good. The talent, passion, and resilience in this space is one that we are lucky to witness and see you all be a part of.

As you may already know, this world offers many challenges. I have faced many in my life and it's possible that you are facing some right now. I urge you to never lose that belief in yourself to triumph over adversity. It is this belief that will help you overcome difficulties that you may face in life and even help others along the way.

Please pay attention to the young women gathered with you. I hope you make connections and friendships with other F.A.N.C.Y. Teens. Now and in the future, you can draw strength and inspiration from each other as you journey through your education and find your career paths.

While many people say youth and teenagers are the future of this world, I disagree. You are the NOW. Your confidence, your strength, your actions, your care for each other and your view of the world shapes our present.

Congratulations on being part of this wonderful event. I wish you the best of luck.

With Love,

A handwritten signature in black ink, appearing to be "Sean Elo".

MELISSA SURPOSA

Healthy Relationships With Yourself & Others

"Melissa Surposa is an experienced Health Educator who provides one-to-one reproductive health counseling and class based sex education to adolescents. Melissa believes teens should be empowered when it comes to the choices they make for their bodies and health. In addition to providing counseling, she is a member of San Ysidro Teen Clinic's social media team where she shares and creates adolescent centered content. Melissa holds a B.A. in Anthropology from San Diego State University."

JESSICA BELTRAN

Healthy Relationships With Yourself & Others

"Jessica Beltran is a Program Coordinator mostly focusing on adolescents, sexual health and substance use. As a Program Coordinator, she works directly with youth facilitating the Youth Advisory Board. Jessica has 4 years of experience providing sex education in middle schools and high schools across Southern San Diego. Jessica is passionate about learning from youth, empowering them to make healthy choices and finding ways to engage with youth in the digital era. Currently in graduate school for a Master's in Public Health and Latin American Studies, Jessica is committed to reproductive health promotion and education among Latinx youth "

SHERITIS TERRIQUEZ

Unapologetically You...The Blueprint to Building Your Brand

If someone asks you to give a 30 second pitch of who you are, would you be able to do it? Establishing your personal brand is the art of highlighting all of your special and unique skills then communicating and portraying them for the world to see. It is important to be your authentic self, know what you like and develop skills that will lead you down the path to discover who you want to be and what do you want to do in your life.

Sheritis Terriquez is a leader that prides herself on going above and beyond to meet and exceed all personal and professional goals. Prior to joining the dynamic world of transportation, Sheritis was a Corporate Account Manager in the telecom industry at AT&T and a Co-owner/Marketing Principal in the Health Care Industry in Florida. She has over 20 years of combined corporate sales, management, and business consulting experience. She currently leads a team of Worldwide Account Managers in Arizona, California and Nevada.

ASHA' JONES

Girl! Is You Ready?

Asha' Jones is a PhD student at San Diego State University and Claremont Graduate University in Education with an emphasis in Student Affairs, Urban Leadership, and Higher Education. Her research interests expand to how mentorship shapes Black girls' academic performances and experiences in and out of the academic space.

Asha' received her Master of Business Administration, with an emphasis in Marketing, from the University of Phoenix, Ogden, Utah, and a Bachelor of Arts in Communication from Weber State University, Ogden, Utah. As a first-generation college student, Asha' is interested in developing diversity, cultural, academic, and career programming with unique opportunities to work with and associate with an array of diverse communities.

She is always full of great ideas and endless energy. Her personal motto is, "From the streets to the suites." You will hear her say this repeatedly to the students and people she serves within the workplace and community. You may wonder why she says this. Well, here is the answer, "As a first-generation college student who came from the streets, my education has been able to take me to the suites of life. Whether that has been in the classroom, workplace, or community."

SIMON VERGARA

Identifying Skills/Elevator Pitch

My name is Simon Vergara. I am from San Diego, born and raised. I am a first generation Hispanic Latino who graduated from Hilltop High School and went on to pursue my Bachelor of Arts at San Diego State University as an Economics major. Supporting and aiding my siblings in their goals led to my passion for helping others, which eventually resulted to my career in social services. I have been working with SBCS for the past 7 years and have dedicated to serving the community in Chula Vista. In that time, I have advocated to help eliminate barriers for homeless, probation, and foster youth. I am now an EXCEL Career Navigator, where I am dedicated to helping youth prepare for the work force. My hope is to best prepare future generations for the employment sector and create a positive impact in my community.

KEDEST BERHANU

Banking on the Future

Vice President Branch Operations Manager for Pacific Western Bank in La Jolla. I was born and raised in Addis Abeba Ethiopia. I immigrated to the US in 1981 to attend college. I am a graduate of San Diego State University with a BS in Mathematics.

I started in banking in August 1990 with Peninsula Bank as a teller and spent the next few years advancing my carrier in various departments. In 2000, Peninsula Bank was acquired by US Bank and I worked for US Bank as Branch Operations Specialist assisting 6 branches. From 2006 to December 2013, I worked at San Diego Trust Bank as Vice President of Operations. In this position I was in charge of the centralized Operations department and ACH and NACHA compliance. In addition I assisted the bank's compliance officer in reviewing and writing bank policies. In January 2014, I joined Pacific Western Bank as the branch manager of the La Jolla Office.

I am past board president/treasurer of Debre Sahel Saint Gabriel Ethiopian Orthodox Church and past board member of the La Jolla Kiwanis.

MR. FABIO

Have fun with physics in this fast-paced workshop. Using roller coasters and parachutes, students explore motion, unbalanced forces, friction, velocity, and more.

Mr. Fabio has been a Science Educator at the Fleet Science Center for the past 4 years. A student of learning, Fabio has the privilege of extending his love of science throughout the local communities. During an 8th grade science class, he learned that glue can be made using household items. That humble chemistry experiment sparked a life-long journey into all fields of sciences. Mr. Fabio earned his bachelor's in biology from UC Riverside, afterwards he worked at a Biotech company.

Mr. Fabio enjoys showing students all forms of science, including how to collect roly-polies, shooting water rockets into the sky, and creating safe versions of chemistry experiments. In his downtime, he enjoys keeping up with scientific advances such as renewable energies, computer technology, and mitigating climate change. He hopes that his enthusiasm for science touches others and inspire the next generation of scientists.
